DECKWITH'S ANTI-DYSPEPTIC PILLS
have been most successfully employed in almost every variety of functional disorder of the stomach, howels, liver, and spleen; such as hearburn, acid cructations, nauses, headache, pain and distension of the stomach and bowels, incipient diarrheas, colic, jaindnos, fiatulency, habitual costiveness, loss of appetite, sich headache, pain and distension of the stomach, headache, pain and distension of the stomach and bowels, incipient diarrheas, colic, jaindnos, fiatulency, habitual costiveness, loss of appetite, sich headache, eser-ickness, éct., éc. They are a safe and comfortable aperient for females during pregnancy and subsequent confidement; relieving sickness at the stomach, headache, heartbura and many of the incidental nervous sflections. Literary men, students, and most other persons of sedentary habits, find them very convenient. Those who induce to freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dimer pill, they are invaluable. Those who are exposed to the vickasitudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe antibilious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfeits of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, éc., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between them.

Dr. T. W. Drorr & Sovs, of the Columbian colege, 131 N. 2nd street, Philadelphia, haying undertaken and been appointed by Dr. Beckwith bed as the price above pills, the public are informed that they can be supplied with the genuine article in any quantity at the same price as by the properietor, by applying a shove.

Protection against counterfeits.

Dr. Beckwith, proprietor of "Beckwith's antidyspeptic pills," having suffered great loss, as well as those who have been in the practice of using his pills being disappointed and their health injured:

It will be seen by Dr. Beckwith's letter of June 1, 1845, that he has adopted the only safe plan for himself and the public against these miscreants, by having placed the sale of his medicine in the hands of one special agent, where every one who wishes to be supplied with the genuine article must apply.

Dr. T. W. Dyott & Sons, of the Columbian College, No. 133 North Second street, Philadelphia, are the only persons appointed to supply the above pills in quantity, as no counterfeit article is permitted in their establishment. Dealers and the public will be age in supplying themselves as above.

The proprietor of Wright's Indian vegetable pills has discovered that his pills are counterfeited and extensively circulated through the country by persons unauthorized by him.

Dealers in the above pills are therefore respectfully informed that Dr. T. W. Dyott & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, are the only persons authorized by me to sell my pills, in quantity, at the same prices as myself.

Any other persons travelling through the country offering my pills in quantity, and at reduced prices, are assuredly base counterfeiters, and ought to be rejected as such by every "honest dealer," and it is to be hoped will be, if it is only for the health and the lives of the public.

July 28—3taw3m

I have satisfactory evidence that Beckwith's pills have been extensively counterfeited in various parts of the country, and particularly at New York, and sold at prices much below what the genuine article can be afforded at.

Since the agency of Mr. Henry D. Turner, John street, New York, ceased, on the 14th February, 1844, I have appointed no agents, and now have none in any section, except Dr. T. W. Dyott & Sons, of the Columbian College, Philadelphia. Those, therefore, who wish to purchase or take the genuine pills, must obtain them either of myself, or of those gentlemen, or of persons known to purchase them of one or the other. Dr. Dyott & Sons are also invited for daily transportation in steamboats between Charleston and Savannah, with an expedited schedule, to be proposed by the bidder.

No proposal will be considered unless accompanied by aguarantee.

The following is the form of a guarantee which should be filled—the first blank with the name of the third and fourth with that of the bidder, and the third and fourth with the bidder and the bidder of the college, philadelphia. Those, therefore, who wish to purchase or take the genuine article and the proposed by the bidder.

The following is the form of a guarantee which should be filled—the first blank with the name of the third and fourth with the bidder, and the third and fourth with the bidder, and the third and fourth with the bidder, and the third and fourth with the bidder of the proposed by the bidder. NOTES.

No proposal will be considered unless accompanied by a guarantee.

The following is the form of a guarantee which should be filled—the first blank with the name of the guarantor, the second with that of the bidder, and the third and fourth with the beginning and terminating points of the route; and after being dated, should be signed by the guarantor, who must be shown by the written certificate of a postmaster, or other equally satisfactory testimonial, to be a man of property, and able to make good his guarantee. This guarantee, so certified, should accompany each bid.

This guarantee, so certain, should bid.

"The undersigned — guaranties that — if his bid for carrying the mail from — to — be accepted by the Postmaster-General, — shall enter into an obligation prior to the first day of January next, with good and sufficient sureties, to perform the service proposed.

"Dated ——."

The following may be used as a form for the bid, where no change from the advertisement is contemplate. Public notice.

It will be seen by Dr. John Beckwith's letter, dated June 1st, 1845, that he has discontinued all agencies on commission for the sale of his (Beckwith's) anti-dyspeptic pills, and has established one principal office, which is at the Columbian College, No. 132 North Second street, Philadelphia, where the public are recommended to apply for the genuine pills.

Druggists and dealers supplied on very liberal terms.

The following may be used as a form for the bid, where no change from the advertisement is contemplated by the bidder:

"I [or we, as the case may be,] hereby propose to carry the mail on No. 3127, from Charleston to Savannah, agreeably to advertisement, for per annum."

For the prohibition of bids resulting from combination, and the terms and conditions on which the contract is to be made, see the last annual advertisement.

retisement.

The bid should be sent under seal, addressed to the First Assistant Postmaster General, with "Mail proposals in the Sinte of—," written on the face of the letter, and should be despatched in time to be received by or before the 27th day of October next, at 9 o'clock, p. m.

Contracts are to be executed before the 1st day of January next.

GREAT ENGLISH REMEDY

For Coughs, Colds, Asthma, and Consumption!

THE great and only remedy for Colds, Coughs,

Asthma, and Consumption, is the Hungarian

Balsam of Life, discovered by the celebrated Dr.

Buchan of London, England, and introduced into
the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine in the
curse of pulmonary distances, warrants the American
agent in soliciting for treatment the WORST POS

SIBLE CASES that can be found in the community; cases that seek relief in vain from any of the
common remedices of the day, and have been given
up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has
cured, and will cure, the most desperate of cases.

It is no quack nostrum, but a standard English
medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not
only to counteract the consumptive tendencies of
the climate, but to be used as a preventive medicine
in all cases of Colds, Coughs, Spitting of Blood,
Pain in the Side and Chest, Irritation and Soreness
of the Lungs, Bronchitis, Difficulty of Breathing,
Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Hooping-Cough,
